

The Content of the Site

The information available at www.hcn.com.au ('**this site**') as well as the products, services and resources (**the Content**) described at this site, are designed for use by qualified medical and health care practitioners for general educational and information purposes only.

You use this site at your risk. You must evaluate, and bear all risks associated with, the use of any content, including reliance on the accuracy, completeness or usefulness of any Content.

HCN does not guarantee the accuracy, currency or adequacy of the Content available at this site by virtue of providing access to or information about such Content at this site. You should check the terms of use and warranties which apply to the Content when you subscribe to or acquire them. By including them in this site, HCN does not make additional warranties or representations about the Content in addition to those already provided in relation to the products, services and resources themselves.

You acknowledge that parts of this site are provided or maintained by third party providers (Providers) and not by us. Your correspondence or dealings with any Providers are solely between you and that Provider, and you agree that we will not be liable or responsible for any loss or damage of any sort incurred as the result of such dealings.

The Site

We endeavour to provide a convenient and functional site, but we do not guarantee that the Content will be error free or that the site or the server that operates it are free of viruses or other harmful components. If your use of the site results in the need for servicing or replacing property, material, equipment or data, we will not be responsible for such costs. Without limiting the above provisions, everything on the Site is provided to you "as is" and "as available" without warranty or condition of any kind, either expressed or implied, including, but not limited to, any implied warranties of merchantability, fitness for a particular purpose, or non-infringement.
