ABOUT MEDICINES COMPLETE

MedicinesComplete is published by Pharmaceutical Press. Pharmaceutical Press has been publishing high-quality titles on pharmacy and related disciplines for over 150 years.

Pharmaceutical Press are dedicated to providing online access to some of the world's leading drug and healthcare references in the form of MedicinesComplete. You can find out more about each reference work in the products section. The integrated search scans all of the databases, bringing together a wealth of clinically proven, unbiased information.

The website brings together information from a number of publishers:

- Pharmaceutical Press
- Royal Pharmaceutical Society of Great Britain (co-publisher of the British National Formulary)
- American Pharmacists Association (co-publisher of Pharmaceutical Excipients)
- British Medical Association (co-publisher of the British National Formulary)
- National Prescribing Centre (publisher of the MeReC Bulletin)
- American Society of Health-System Pharmacists (publisher of AHFS Drug Information)
